

Harlow Rugby Club Offerings

Members Brochure

There are many opportunities at Harlow Rugby Club. Here are a number of ways that members can get the most from us. Some of the options below are available such as the 100 club where you can win monthly cash prizes or why not save yourself money by purchasing membership for life.

If that's not to your liking why not club together with a couple of friends and sponsor a player.

Whichever way you choose to go you are joining a community club for the 2003/04 season. Once you're a member of Harlow Rugby Club here are some additional ways you can get the most from us.

Travel with the Players to Away Games.

Why not travel on the on the coach with the players to our 1st team away games. Arrive early and relax in the away teams bar while our players prepare for the game.

There are usually 20 seats available at a cost of £5.00 per person; pickup times will be given when you book.

After the game you travel back on the coach celebrating with the players.

Coaches leave approximately 4 hours before kick off depending on where we are travelling too, normally we would leave the oppositions ground at about 6.00 pm. but this cannot be guaranteed.

Allocation of seats will be given to the first 20 people to contact the 1st Team Manager nearer each game to reserve your place.

100 Club.

Do you belong to the 100 club?

This is a great way to support the club and you get to take part in massive cash draws.

Held each year this year's prizes are:

- £700 First Prize
- £300 Second Prize.

There is also a monthly draw, the prize depends on the number of members in the club, and at present it is worth £65 every month.

It costs £5 per month to belong to the club, collected by direct debit as £15 per quarter. To join the 100 club speak to Mick Carlin or phone 01279 420487.

Join our e-mail mailing list

The club mailing list has over 160 members and is growing rapidly as we add all of you who have given us your e-mail address when you paid your subs.

If you are not on the mailing list and you would like to join send an e-mail to the club with the title subscribe in the subject. The e-mail address to send to is: press@harlow-rugby.co.uk

When we were organising the opposition to the Harlow Council proposal to make our ground into a Green Wedge, which would strangle any further development, the mailing list enabled us to ensure a large number of member's submitted formal objections. This was very good but we need to do a lot more yet, if we can double the size of the list it will be a great campaigning weapon.

Please join now and get all your rugby supporting friends to do the same.
